of

Trezevant High School

Trezevant, Tennessee

Dedication

To the memory of Dr. F. C. Carnell whom we loved because he exemplified in his life the virtues in that make life worthwhile. He always stood for the virtues that make life worthwhile. He had a kind word for everyone, a keen interest in every problem and an unusual appreciation for the youth of our land. He had the power to challenge us to higher and nobler living with his word and his life!

"He lived to serve others."

Our Friends

Donna,

I will never
forget our wonderful
times, especially with
"Huntingdon." My wish
for you, is for you
to find the one who
so richly deserves
you. May we always
share a close friendship.
Remember, as a friend
always.

Love Ya Lots,
Shirley

To Donna whom
I couldn't have gotten
along without this year. I
can't express what your friendship
has meant to me this year. You
are one of my dearest, best friends
and I hope we will all remain as
close as we are now all through
the years. I wish you much happiness
and lots of luck. I love you dearly,
as ever,
Janice K.

I wish you luck and
happiness throughout life
I will never forget you
I love you.
Sara
